# GAIA Level 2 Dysfunctional First Stage of Labor

National Cancer Institute

## Source

National Cancer Institute. *GAIA Level 2 Dysfunctional First Stage of Labor*. NCI Thesaurus. Code C128718.

GAIA Level 2 Dysfunctional First Stage of Labor is defined by progress of less than 0.5 cm of cervical dilation per hour, for at least 4 hours, in women with established labor (i.e. have regular contractions and cervical dilation of at least 4 cm) without certainty of ruptured membranes.
