# International Cancer Research Portfolio Database

National Cancer Institute

## Source

National Cancer Institute. *International Cancer Research Portfolio Database*. NCI Thesaurus. Code C39432.

The International Cancer Research Portfolio (ICRP) is a searchable database of information on cancer research awards of the cancer funding organizations that comprise the Common Scientific Outline Partners. The ICRP provides the public at-large with opportunity to view and browse information about research supported by cancer funding organizations in the US and the UK.
