

Peer Review

Review of: "A Review of Transformation and Digital Literacy for the Sustainable Development in the Greater Mekong Subregion – Working Paper"

Digital Economy RSU¹

1. Rangsit University, Thailand

The working paper, *A Review of Transformation and Digital Literacy for Sustainable Development in the Greater Mekong Subregion*, offers a strong abstract that highlights its core themes and objectives. To enhance its impact, ensure the content aligns with the abstract's promises and includes citations to support key points. Adding actionable recommendations for policymakers and stakeholders in the GMS region would further strengthen its practical relevance and value.
