

# Review of: "Comparative Analysis of Sustainable Livestock Development as a Source of Livelihood to Farmers of Maharashtra and Jammu and Kashmir"

Alok Wankar

Potential competing interests: No potential competing interests to declare.

WHAT DO THE LAST 7 COLUMNS OF TABLE 1 INDICATE? THERE ARE NO HEADINGS.

EITHER TABLE 3 IS MISSING, OR THE NUMBERING SEQUENCE IS WRONG FROM TABLE 2.

THE AUTHORS SAY THE VETERINARY FACILITIES ARE ON THE RISE, WHILE TABLE 6 INDICATES A DECLINE.

What is written and shown in the manuscript is not properly backed by the data presented by the authors, which makes the manuscript more confusing. Also, the title and the last discussion and conclusions don't match adequately.

Still, I appreciate the authors' efforts and analysis of the two Indian states' livestock.
