# Radiomics

Robert J. Gillies, Paul E. Kinahan, Hedvig Hricak

## Source

Robert J. Gillies, Paul E. Kinahan, Hedvig Hricak. (2016). *Radiomics: Images Are More than Pictures. They Are Data.* *Radiology*, vol. 278 (2), 563-577. doi:10.1148/radiol.2015151169.

The practice of high-throughput extraction of quantitative features that result in the conversion of images into mineable data and the subsequent analysis of these data for decision support.
