Miniature Pinscher

National Cancer Institute

Source

National Cancer Institute. *Miniature Pinscher*. NCI Thesaurus. Code C53938.

The Miniature Pinscher is a small, compact, muscular dog with square proportions and well-chiseled lines. It has a short coat that comes in red, but may also be black and tan or chocolate. The dog has an unusual high stepping gait. Height: 10-12 inches (25-30 cm.) Weight: 8-10 pounds (4-5 kg.)
