Miniature Schnauzer

National Cancer Institute

Source

National Cancer Institute. *Miniature Schnauzer*. NCI Thesaurus. Code C53728.

The Miniature Schnauzer is a small, squarely-proportioned dog with a long head, bushy beard, mustache and eyebrows. The v-shaped ears fold forward when left natural or are cropped to a point and stand erect. Coat colors include salt and pepper, black, white or a harsh black and silver outer coat with a soft undercoat. Height: 12-14 inches (30-36 cm.) Weight: 10-15 pounds (5-7 kg.)
