Potential competing interests: No potential competing interests to declare.

Thank you for involving me in reviewing the article.

Some comments:

The topic is very interesting, however, there is already a body of research on the topic.

Abstract: Please specify the study design. Better show the results (in numerical terms).

Introduction: it is necessary to implement the background on the already known research on the topic. Please refer to the literature that has reviewed all original articles on this topic, below is the doi of the articles to be mentioned:

10.3390/ijerph17197073, 10.3390/foods10102458

The results are well presented.

English should be reviewed.
