Potential competing interests: No potential competing interests to declare.

The manuscript discusses very interesting. however, it is required to be improved essentially.

The abstract can be more attractive and innovative, which will show the representation of the paper well. Discuss the practical implications of the proposed applications. How feasible are these ideas in the Nigerian context? Highlight the potential benefits and challenges, ensuring the paper considers real-world applicability. Given the dynamic nature of technology, emphasize the importance of addressing current trends and their potential impact on tertiary education in Nigeria.
