

Review of: "Sectoral Herding Contagion on Eve of New Year"

A.A. Tanjung

Potential competing interests: No potential competing interests to declare.

in the Results and Discussion section there are the Energy, Financials, HealthCare, Industrials, IT, Materials, Utilities and Telecommunication sectors as shown in tables 3, 4 and 5 but there is no explanation in the Research Methodology section so the author is expected to make an explanation in the Research Methodology section.

This discussion could be expanded to explain more deeply related to research results.
