

Review of: "Digital Literacy in People with Disabilities: An Overview and Narrative Review"

Kana Sukumaran

Potential competing interests: No potential competing interests to declare.

The author has done a commendable review of the topic - Digital Literacy in People with Disabilities.

While the author has done a comprehensive review by quoting many publications on the matter, towards the end, his own contributions/observations by way of recommendations/suggestions are missing. The outcome of the research can be clear with concrete recommendations so that society would benefit.
