The manuscript entitled "Enriching Competitiveness through Corporate Social Responsibility: A Study of Service-Based Enterprises in Zimbabwe" is a very timely and important study to understand the CSR and the relationship between CSR and CSP. However some revisions must be done.

-Introduction section must be revised, the importance of the CSR for the service sector must be added.

Firstly the goal sentence and then research questions should be given..

the relationship between two concepts should be clearly stated. This will provide clarity in terms of importance of research.

Content should be added to the introduction section

Literature review begins with theory, a short description may be helpful

Descriptive demographic information can be combined and should be organized as a table .

Some information should be given related with country and sector, it helps to understand and interpret the results.
