Potential competing interests: No potential competing interests to declare.

Please avoid using abbreviations in the headings and abstracts. MCQ should be written in the long form first, then in the long form.

Also, you might consider new methods for project-based work. As in the below paper, how would it be possible to provide personalized feedback and start avoiding MCQs to improve creativity and more assertive education outputs?

S. MIHCİN & S. ÇIKLACANDİR, TOWARDS INTEGRATION OF THE FINITE ELEMENT MODELING TECHNIQUE INTO BIOMEDICAL ENGINEERING EDUCATION, BIOMEDICAL ENGINEERING-APPLICATIONS BASIS COMMUNICATIONS, 2022, 1016-2372, 34, 02.
