Finnish Spitz

National Cancer Institute

Source

National Cancer Institute. *Finnish Spitz*. NCI Thesaurus. Code C53853.

The Finnish Spitz resembles a fox with a pointed muzzle, perked ears. It has thick, erect, medium-length hair with a thick under-layer of straight hair. Its plumed tail curls up over the back and down the side. The feet are round and cat-like. The coat color may be red-brown, or a yellowish-red with some white markings. Height: 15-20 inches (38-51 cm.) Weight: 31-35 pounds (14-16 kg.)
