

Review of: "Prevalence of Common Mental Illness and Its Associated Factors among Hawassa City High School Students in Hawassa, Sidama Region, Ethiopia"

El Hassan Ouanouche

Potential competing interests: No potential competing interests to declare.

Thank you for choosing the theme of mental illness.

- The objectives of the work are very clear
- The fact that you gave importance to the representative size of your sample is a strong point.
- What remains to be seen is whether you have complied with the ethical instructions, especially for work in schools?
