Potential competing interests: No potential competing interests to declare.

This paper provides a thorough and well-rounded exploration of Restorative Justice, supported by extensive literature and empirical evidence. It successfully highlights RJ's benefits, effectiveness, and challenges, offering a comprehensive analysis that underscores its transformative potential. The discussion is well-structured, with each section building on the previous one to create a coherent and compelling argument for the adoption of RJ practices. The paper's strength lies in its balanced approach, acknowledging both the promise and the limitations of RJ, and providing practical insights into its implementation across diverse contexts.
