

# Review of: "Clergy Vestment: An Analysis Of The Ecclesiological And Theological Journey Of African Pentecostal-Charismatic Churches In South Africa"

Nomatter Sande

Potential competing interests: No potential competing interests to declare.

Congratulations are in order for a well-written paper. The author successfully traces the historical development of the church's vestments. Balanced discussion is evident when the author uses theological arguments from four churches to justify vestments. The article is breaking new ground, showing contextual changes in theologies.
