

Review of: "Technological Tools to Teach the Idea of Optimality"

Hisham Mohammed Khudhur¹

¹ University of Mosul

Potential competing interests: No potential competing interests to declare.

Notes about the paper

- Add more details to the abstract.
- References are few.
- Add recent references for the years 2023/2024.
- Interest in formatting the paper.
- Add tables for numerical results.

I recommend accepting the paper after minor revisions.
