# Ginseng/Lingzhi Mushroom/Cordyceps sinensis/Rose Oral Liquid

National Cancer Institute

## Source

National Cancer Institute. *Ginseng/Lingzhi Mushroom/Cordyceps sinensis/Rose Oral Liquid*. NCI Thesaurus. Code C156397.

An orally available supplement containing ginseng, lingzhi mushroom, Cordyceps sinensis, and rose with potential immunostimulating activities. Upon oral administration, ginseng/lingzhi mushroom/Cordyceps sinensis/rose oral liquid may, through a not yet elucidated mechanism, enhance immune responses and relieve fatigue.
