Family Practice Nurse Practitioner

National Cancer Institute

Source

National Cancer Institute. *Family Practice Nurse Practitioner*. NCI Thesaurus. Code C71275.

A nurse practitioner that meets the health care needs of the family by providing health assessments, direct care, and guidance, teaching, or counseling as appropriate, particularly around family self-care. The FNP typically works collaboratively with family primary care physicians and other professionals within the health care system, and is licensed to practice by a state authority.
