Carrot/Jilin Ginseng/Licorice Root/Tangerine Peel/Soy Beverage

National Cancer Institute

Source

National Cancer Institute. *Carrot/Jilin Ginseng/Licorice Root/Tangerine Peel/Soy Beverage*. NCI Thesaurus. Code C90538.

A soy-based powdered nutritional supplement drink containing carrot, jilin ginseng, licorice root and tangerine peel with potential antioxidant, immunomodulating and protective activities. Besides vitamin C, E and other phytochemicals, carrot/jilin ginseng/licorice root/tangerine peel/soy beverage contains a high amount of soy protein. This beverage may have a beneficial effect on overall nutrition and the immune system.
