

Review of: "The Impact of TikTok on Students: A Literature Review"

Virgin Dones Gonzalez

Potential competing interests: No potential competing interests to declare.

Once you have read the article, you can conclude that it presents an updated overview of literature on a current topic: social networks, especially TikTok. Very pertinent in these times where new generations have been born with technology and use it for everything in their lives.

The article is complete and provides a realistic approach regarding students' use of Tiktok. The recommendations provided are a spearhead to continue future, more in-depth studies.

The article has my approval.
