German Shorthaired Pointer

National Cancer Institute

Source

National Cancer Institute. *German Shorthaired Pointer*. NCI Thesaurus. Code C53867.

The German Shorthaired Pointer is a clean-cut, well-balanced, hunting dog with a chiseled head and large nose. The muzzle is long, but not pointed, and it has a short, dense coat that comes in solid liver or liver and white, patched, ticked or roan. Height: 21-25 inches (53-64 cm.) Weight: 45-70 pounds (20-32 kg.)
