

# Review of: "Impact of entrepreneurial orientation on business performance: Analysis of small-medium sized corn enterprises"

Ahmed .I. Kato

Potential competing interests: No potential competing interests to declare.

The abstract and conclusion need to be amplified, the results appear not be well articulated for instance **The results showed that entrepreneurial orientation affected company performance**" This statement is vague, we would like to see specific impact of entrepreneurial orientation either in terms of growth, profitability, employment creation e.t.c
