The current research is very valuable. Please consider:

1. Not all the keywords are selected from MESH?
2. The paper should be revised extensively with a native speaker addressing the grammatical errors.
3. Are there any limitations in this study? Please explain about them in your discussions.
4. Please write the highlights of your study in the introduction and discussion.
5. Please improve the Discussion with different references.
6. Do these mentioned plants have the ability to produce new herbal medicines? How are they in terms of economic efficiency?
