Dear editor,

The manuscript titled "Ayurveda & Bioactives as Adjuvant for DNA Modulation in Cancer Treatment & Adverse Drug Reaction [ADR] – A Glimpse of Traditional Indian Nanotechnology" has been reviewed and the following findings are observed :-

1. Entire manuscript is in a copy-and-paste manner and no way connected to the title.
2. References have little relevance and are no way related to nanotechnology and traditional herbal formulations like Bhasma.
3. Manuscripts are written in a poor manner, and grammar check has not been done.

## CONCLUSION

The present manuscript is not suitable for publication in this reputed journal.

Thank you very much for considering me as the reviewer.
