GENERAL COMMENTS

- The title is interesting
- The paper is well written
- The findings are well discussed
- However, citation in the body of the paper is not uniform. In some places there are no page numbers, while in some places, there are page numbers.
- The paper needs proofreading

ABSTRACT

- The second sentence need to be revised

INTRODUCTION

- In the second paragraph, the full meaning of HIE needs to come before the abbreviation

METHODOLOGY

- The title should be "Study Area and Methodology" because the sub-heading "Case Study Development" contains information on the study area.
- The last paragraph under the heading "Case Study Development" should be re-written with adequate citation.

Findings

- Fifth sentence in paragraph 3: Drugs and RnP_SP indicates, instead of indicts.

The paper can be **accepted** for publication subject to addressing the above comments.
