

# Review of: "Healthcare Systems Moving Toward Data Governance-Centered Model: India's G20 Presidency in the Wake of COVID"

Oladunni Abimbola Amos

Potential competing interests: No potential competing interests to declare.

The author has done a good job in pin-pointing areas of concern as far as India's digital governance in health is concerned.

I would suggest if the author can expand more on the current state of health Care system and economy in India. Also, what impacts will G20 presidency policy framework have on the economy as well as preparedness for future pandemics?.
