UCSF Helen Diller Family Comprehensive Cancer Center

National Cancer Institute

Source

National Cancer Institute. *UCSF Helen Diller Family Comprehensive Cancer Center*. NCI Thesaurus. Code C39532.

The UCSF Helen Diller Family Comprehensive Cancer Center has an overarching goal of shepherding new approaches to cancer prevention, detection, and treatment into clinical and population settings, where they can be tested and evaluated. The Center integrates the work of researchers and clinicians. It was designated as an NCI comprehensive cancer center in 1999.
