

Review of: "Effective and Efficient Ways of Executive Development for Corporates in Fast-Developing Countries"

Xiaoping Tong

Potential competing interests: No potential competing interests to declare.

The study on corporate universities and the development of executives is an important topic. This paper suggested ways to ensure the success of such. This conceptual paper has synthesized some useful information. Yet, innovation of this paper from previous studies needs to be strengthened. An empirical examination on more specific questions can improve the value of the research findings highly.
