

# Review of: "Project-Based Learning for Graduate Students in Digital Humanities"

Marcio Mendonca

**Potential competing interests:** The author(s) declared that no potential competing interests exist.

The element of the article is interesting. However, I see improvements. Because it is a recent technique, the revision of literature could bring more recent works, I believe that active methodologies can evolve. And principally, the work would be better with quantitative analysis to evaluate how good were the results
