

# Review of: "Synthesis and Antibacterial Screening of Cefradine Schiff Bases and Their Metal Salts"

Raghunath B. Toche

Potential competing interests: No potential competing interests to declare.

The paper entitled "Synthesis and Antibacterial Screening of Cefradine Schiff Bases and Their Metal Salts" need revision.

1. Check paper style, I hope this paper is not in journal format.
2. General procedure for the preparation of Schiff bases of cefradine (3-8) need to modify. How product was purified?  
Yields are not given.
3. In preparation of salts of cefradine Schiff bases (9-35), Elemental analysis is needed to confirm formation of salts.
4. What is the role of AgNO<sub>3</sub> in salt formation reaction?
5. Author should see the recent references.

Work is good can be accepted after above corrections.
