## Comments for the betterment of the project:

1. The abstract is not constructed properly. The authors are requested to rewrite the abstract section with a proper flow.
2. What is the novelty of this study? How this study will contribute to the scientific community?
3. Kindly add one or two more keywords.
4. Nanoparticles are alternative therapy. However, the authors should be talking about the primitive mode of therapy initially.
5. What is the possible mode of action of copper nanoparticles?
6. A brief review of the literature is missing.
7. A list of all the abbreviations used in this manuscript may be enlisted at the end of this manuscript.
8. What are the future scopes of this study?
