Potential competing interests: No potential competing interests to declare.

- The paper has some typos and language issues that need to be checked and corrected in the revision. English is generally very good but needs to be polished.
- More remarks should be given to add some comparisons with the existing related papers to illustrate the innovation of this article.
- The originality in the introduction part should be strengthened.
- If the authors can satisfactorily address all the concerns above, then the paper could be publishable.
