Review of: "Qualitative Analysis of a Time-Delay Transmission Model for COVID-19 Based on Susceptible Populations With Basic Medical History"

Regragui Taki[1]

1 Université Chouaib Doukkali

1. In page 4 the sentence : "Obviously Ω is the positive invariant set of system (3)", must be justified

2. In page 6 the last equality in expression of $f\left(\frac{A}{d}\right)$ is wrong.

3. In page 9 the sentence " the characteristic equation of the system at is as follows", must be rectified.

4. E_0 is not written correctly in Theorem 5 (see page 11).

5. The same previous remark on page 12.

6. The sentence " The characteristic equation of system (3) at e0 is as follows" should be replaced by: The characteristic equation of system (3) at E^* is as follows (see the proof of Theorem 6)
