

Review of: "Signboards prohibiting tobacco sale within 100 yards of educational institutes: The appraisal of prohibition compliance and on-ground status of the COTPA Act, 2003 in Chanakyapuri Division of New Delhi Revenue District, the administrative precinct of India."

Mitasha Singh

Potential competing interests: No potential competing interests to declare.

The work is apt in line with the ongoing mission to make cities and districts smoke free.

Few technical points need to be considered:

Mention the study period

rephrase abstract in structured way

tables with number and percentages would add weightage to results

tobacco usage by school children should be elaborated in terms of smoked/smokeless

In which month or year you conducted this survey?
