The manuscript is entitled "Sacred Plants and Their Miraculous or Healing Properties."

The authors have done a great job by relating the origins and customs of the use of sacred plants. The following minor suggestions must be addressed before accepting the manuscript for publication:

1. Please improve the methods of the manuscript.
2. The authors must support the healing properties of these sacred plants by reviewing the pharmacological and phytochemical properties of these plants.
3. The authors must report the dosage and toxicological evidence of these sacred plants, as they possess healing properties.
4. The authors must check for typographical errors.
5. The authors must remove the word "miraculous."
6. Please improve the discussion with different references.
7. Please remove the citation from the conclusion.
