Review of: "Implementation of e-learning during COVID-19"

Cesar Collazos

1 University of Cauca

Potential competing interests: No potential competing interests to declare.

It's not clear the real innovative aspects of the paper. It's necessary to include elaborated work section. There are many works where the same issue has been analyzed. Consider the work of Collazos et al, Designing Online Platforms Supporting Emotions and Awareness.

There is no validation

The conclusions need to be improved
