Review is well written and well organized. Kindly see the following before publishing

1. In some places , I found of *P.marsupium* - which should be of *P.marsupium*
2. In 5.9 (Antihyperlipidemic activity), after 2 para's - 5.10 as **Other pharmacological activities** may be added
3. In conclusion para, **India is notoriously known to be the Diabetic capital of the world**, should be placed in appropriate place.
