Authors have presented a Supply Chain and Digital Transformation of the Automotive Manufacturing Company during the COVID-19 Pandemic: A Case Study of PT. X. The presentation of the manuscript is good. The authors should follow the following points and incorporate them into the manuscript.

1. More literature review still needs to be done.
2. The research gap should be presented clearly.
3. Authors should avoid grammatically incorrect sentences.
4. The authors should add more explanations for Table 1.
5. Authors should discuss their proposed approach.
