Dear editor:

Thank you for considering me as a reviewer for this manuscript in your esteemed journal ,My sincere wishes to your journal for permanent progress towards sober scientific research

Overall, this is a clear, concise, and well-written manuscript. The introduction is relevant and theory based. The methods are generally appropriate, These are some notes that should be taken into consideration

1- Review of Related Literature not adequately covered and need to updated

2-it would be beneficial to provide more detailed information and data to support the research findings and provide a comprehensive evaluation of the business's potential success.

thank you
