

# Review of: "Exploring the Role of Social, Economic, and Cultural Factors in Community Development: A Social Work Perspective in T/A Chimwala, Mangochi"

María R. Tapia-Baranda<sup>1</sup>

<sup>1</sup> Instituto Tecnológico y de Estudios Superiores de Monterrey (ITESM)

Potential competing interests: No potential competing interests to declare.

The document is well structured and organized. Outside of the summary that it vaguely points to, there is no contextualization of what Chimwala is. I suggest that the concept be contextualized socially, geographically, culturally and economically, pointing out its relevance. The methodology does not specify the date or the number (amount) of interviews
