Potential competing interests: No potential competing interests to declare.

Comment 1: The overall manuscript needs to be revised with the help of a native English speaker. In the introduction, you can cite the following article.

<http://doi.org/10.1111/cdev.13651>

Comment 2: In every paragraph, please use 'Tab' key.

Comment 3: For e-learning module, did you use any validated tool? Please add reference for each module.

Comment 4: The website address can be referred as supplementary materials.

Comment 5: In the manuscript, it is good to avoid section numbers.

Comment 6: Please mention the method more clearly for implementing this plan.

Comment 7: My overall understanding is that it is a business plan. So, my question is, is this journal fully focusing only on business articles?
