Potential competing interests: No potential competing interests to declare.

1. The work is an interesting paper and needs to be encouraged to be continued.
2. Title, Abstract, Introduction is sound.
3. Methodology is fundamentally sound.
4. Results and Discussions accurate.
5. Conclusions valid.
6. My greatest joy was that ethics was catered for.
7. However, I would be glad if limitations would be provided for this study.
8. Lastly the work should be proof read again to correct minor grammatical misappropriations.
9. Authors can make reference to these materials to aid the work;-
