

Review of: "A review of centenarian studies"

Fahri Özsungur

Potential competing interests: The author(s) declared that no potential competing interests exist.

The flow of the article: Partially acceptable.

Please revise the entire article by considering the following titles according to the type of your work.

Introduction

Theoretical Framework

Literature Review

Methodology

Findings

Discussion

Conclusions and Recommendations

Methodology: Please rewrite this section. Describe in detail the method adopted in the analysis of data and sample selection. Also include the limitations of these methods in the study.

Findings/Results: Inadequate. Please rewrite this section. First, determine the methodology you adopt in your study. Identify the subheadings according to the required steps of this methodology.

Conclusions and Recommendations: Please rewrite this section. Please include practical and theoretical implications, limitations, future directions.
