

# Review of: "Examining GITAM (Deemed to be University), Hyderabad Campus for Crime Prevention through Environmental Design Measures: A Foundation Towards a Safe CPTED Exterior Campus Model"

Tahir Sufi

Potential competing interests: No potential competing interests to declare.

The article is well structured and addresses the important issue of campus safety in India( New Delhi. The use of English language is clear and concise. However, the author is suggested to refer the source of the framework **Figure 1**. Elements of CPTED Principles, Figure 2 etc. At some places the figures are referred. Similarly, many references could not be found , where author have used them. Author is requested to look into the issues.
