**Dear Editor-in-Chief,**

Thank you for your trust in me to reviewing the manuscript entitled '**Associations between transactional leadership and safety climate among 314 Pakistani nurses during COVID-19 pandemic: moderating roles of transformational leadership**'.

I reviewed the whole manuscript. So, the following modifications are recommended:

Title:

1- The title is not appropriate. It is not appropriate to bring samples in the title. Title needs to be corrected.

**Introduction:**

1- The Introduction is appropriate.

**Methods and Results:**

The methodology and results are appropriate.

**Discussion:**

1- Please compare your findings with other related studies and explain why they differ.

2- Please use relevant and recent studies.

3- Your study is valuable but the discussion is poorly written.

**References:**

1- Please insert the references.

Thank you for your attention.

**Best Regards**
