

Review of: "The Choice of Breeding Objectives and Selection Criteria Decided by Breeders of Various Goat Breeds and Factors Influencing Them"

Akhmad Kusuma Wardhana ¹

¹ Universitas Airlangga

Potential competing interests: No potential competing interests to declare.

Abstract need to be revised and try to add objective, novelty, and implication.

Introduction section should add:

1. Urgency of the study
2. Purpose of the study
3. Research gap
4. Relationship between traditional economic value and breeding management

Method should be revised into concise paper version. Here is the paper that could become the base:

<https://www.sciencedirect.com/science/article/pii/S240598542300054X>

Please elaborate more theory to justify the result of the study
