Potential competing interests: No potential competing interests to declare.

The article is well written, some improvements suggested.

1. In the discussion, specific headings on the following need:

*H6: Perceived ease of use mediates the relationship between social influence and intention to use cloud services.*

*H7: Perceived usefulness mediates the relationship between social influence and intention to use cloud services.*

2. *There are no references cited in the "Practical Implications" part in the discussion – advised to cite references.*

3. *The conclusion is good-- but a little shorter will be more attractive.*
