Potential competing interests: No potential competing interests to declare.

No	Section	Reviewer comment
1	Introduction	It would be good if the author can include some more updated references
2	Page No 4 , Paragraph 2 nd	For Government Initiative there is no reference stated there, would be fine if author can include some more reference from government website or agencies
3	Page No 10 . Paragraph 2 nd and 5 th	It would be good if author can include some more updated reference, government policies often changed.
4	References	Author should re-check that some references has been included in reference list that are missing in-text citation
